↑FLAP↑

The diagram shows a vertical structure within a black rectangular frame. It consists of two magenta-colored flaps, one at the top and one at the bottom. Each flap has a flat horizontal base and curved, upward-sloping sides. A vertical magenta line connects the center of the top flap's base to the center of the bottom flap's base. The text '↑FLAP↑' is positioned above the top flap, with two upward-pointing arrows flanking the word.
